The Northeast District Department of Health (NDDH)  
Employment Opportunity

**Environmental Health Specialist**

Regional public health department in northeastern Connecticut serving approximately 85,000 residents in 12 towns is seeking applicants for the position of Environmental Health Specialist.

**Responsibilities:** The Environmental Health Specialist performs basic environmental health inspections and evaluations in accordance with the Connecticut Public Health Code and other applicable local, state or federal regulations.

**Qualifications:** Minimum requirements include a high school diploma and knowledge of the principles, practices and regulations applied in conducting inspections or investigations. A Bachelor's degree and CT certification in Food Service Inspection, Level I and Level II Subsurface, and lead investigation is preferred. Applicant must be a self-motivated, organized individual who has the ability to work independently and as a strong team member. A general knowledge of computers is necessary. Individual must possess the ability to work cooperatively and communicate effectively with other staff members, local officials, and the public. Applicant must possess excellent verbal and written communication skills as well as a valid driving license.

For complete job description and application, visit our web site at [www.nddh.org](http://www.nddh.org).

The Northeast District Department of Health is an Affirmative Action/Equal Opportunity Employer. Pre-Employment Motor Vehicle Record release is required.

Qualified applicants may apply by sending resume and cover letter, via fax, email or mail to:
