Volunteers needed 11am – 4pm

Clinic open to the public 1 – 3pm

Plainfield High School

105 Putnam Road (Rte 12), Central Village, CT

The Northeast District Department of Health is seeking volunteers to assist in a Mass Medication Dispensing Exercise.

Volunteer roles include registration, assisting the vaccinators, traffic direction, and more. Free training will be provided.

Your skills will help us test our emergency readiness and response capabilities to efficiently deliver medications to our northeast CT residents.
