Thank you for your interest in the Northeast District Department of Health (NDDH) and our VIAL OF LIFE Program.

You've taken an important step in preparing yourself for an emergency. These VIAL OF LIFE documents can be your voice in the event that you are injured or ill at home and are unable to communicate to emergency responders.

We have enclosed all the materials that you will need to implement this program in your own home, apartment or residence.

These materials include:

- VIAL OF LIFE Information and Instructions
- One VIAL OF LIFE Form
- Two VIAL OF LIFE Decals

Please contact us at any time with your questions or to request more VIAL OF LIFE kits by calling 860-774-7350.

The VIAL OF LIFE program is just another way that NDDH helps to promote, protect and improve your health. Spreading the word about the VIAL OF LIFE will allow others to benefit from this potentially life-saving program.

Thank you for partnering with us!

Kindest Regards,

Susan Starkey, MPH MS RD
