

Bio for BOH website

Lana Salisbury

A Sterling resident since 1980, Lana was appointed as the town's representative to NDDH in 2016 and is honored to serve her town in that capacity. Lana has been a registered pharmacist in northeastern Connecticut since 1982, having spent 21 of those years as an employee of Day Kimball Hospital. Her experience in the health care setting drives an interest in NDDH's work to empower its constituents to make healthy choices for themselves and their families.

In addition to regularly attending NDDH board meetings, Lana has been a member of the NDDH ByLaws Committee, the Personnel Committee, the Medical Reserve Corps and has helped revise salon/barbershop ordinances.

Sterling residents are invited to contact Lana by calling the town hall.
