Combining data

We also combine this data among our services and across your devices for these purposes. For example, depending on your account settings, we show you ads based on information about your interests, which we can derive from your use of Search and YouTube, and we use data from trillions of search queries to build spell-correction models that we use across all of our services.

You're in control

Depending on your account settings, some of this data may be associated with your Google Account and we treat this data as personal information. You can control how we collect and use this data now by clicking “More Options” below. You can always adjust your controls later or withdraw your consent for the future by visiting My Account (myaccount.google.com).

Privacy and Terms

To create a Google Account, you'll need to agree to the [Terms of Service](#) below.

In addition, when you create an account, we process your information as described in our [Privacy Policy](#), including these key points:

Data we process when you use Google

- When you set up a Google Account, we store information you give us like your name, email address, and telephone number.
- When you use Google services to do things like write a message in Gmail or comment on a YouTube video, we store the information you create.
- When you search for a restaurant on Google Maps or watch a video on YouTube, for example, we process information about that activity – including information like the video you watched, device IDs, IP addresses, cookie data, and location.
- We also process the kinds of information described above when you use apps or sites that use Google services like ads, Analytics, and the YouTube video player.

Google Account Welcome Page opens

The screenshot shows the Google Account Welcome Page in a browser. The address bar displays the URL `myaccount.google.com/?utm_source=sign_in_no_continue&pli=1`. The browser's bookmark bar contains various sites like 'Apps', 'Log In < The Northe...', 'ZOOM', 'PicMonkey', 'NDDH Outlook Em...', 'Sage Time Login', 'DECD Sector Rules...', 'Connecticut COVID...', and 'CommunityResourc...'. The page header includes the 'Google Account' logo and a search bar. A left-hand navigation menu lists: Home, Personal info, Data & personalization, Security, People & sharing, Payments & subscriptions, and About. The main content area features a large orange profile icon with the letter 'I', the text 'Welcome, Ineeda Hand', and a link to 'Manage your info, privacy, and security to make Google work better for you. Learn'. A red arrow points from the text 'Click on Gmail' to the Gmail icon in the app grid. The app grid includes icons for Account, Search, Maps, YouTube, Play, News, Gmail, Meet, Contacts, Drive, Calendar, and Translate. A 'Safer with Google' pop-up is visible, with a 'Get started' button. At the bottom, there are two cards: 'Privacy & personalization' and 'Security issues found'.

The image shows a Gmail inbox interface. On the left, there is a navigation sidebar with options like Compose, Inbox (1), Starred, Snoozed, Sent, Drafts, and More. Below this are sections for Meet (New meeting, Join a meeting) and Hangouts (Ineeda). The main inbox area shows a 'Primary' tab with a 'Get started with Gmail' section containing 'Customize your inbox', 'Change profile image', and 'Import contacts and mail'. Below this is a 'Google Community Te...' notification. At the bottom, it shows '0 GB of 15 GB used' and links for 'Terms', 'Privacy', and 'Program Policies'. On the right side, a user profile dropdown menu is open, displaying the user's name 'Ineeda Hand' and email 'ineedahand123@gmail.com'. The menu includes options for 'Sync is off' (with a 'Turn on sync...' button), 'Manage your Google Account', 'Sign out', 'Other people', 'Guest', and 'Add'. A red arrow points from the 'Sign out' option in the dropdown menu to the 'Import contacts and mail' option in the main inbox area. Another red arrow points from the top right of the browser window to the user profile icon in the top right corner.

To log back into Gmail

- <https://accounts.google.com/ServiceLogin>
- Once you have an account, it will automatically appear. Click on your name and you will then be prompted for your password. Make sure to write your username and password down somewhere safe...and remember the location!
- Logging in will take you right to your inbox
- Note – Older adults may need assistance with basics such as locating scroll bars, opening email, etc.

- Google will sometimes ask for a recovery phone number or email when logging in. These are optional but can be used to send information if the user gets locked out of their account.
