Employment Opportunity

Environmental Health Specialist

The Northeast District Department of Health is currently looking for a full time, Environmental Health Specialist. NDDH provides public health services to the 12 towns of northeast CT.

Date Posted: 04/29/2021

Position: Environmental Health Specialist

Date Closed: Applications will be reviewed until a qualified candidate is identified.

Summary of Duties: Perform basic environmental health inspections and evaluations in accordance with the Connecticut Public Health Code and other applicable local, state, or federal regulations.

Qualifications: Minimum requirements include a bachelor's degree preferably in public health, environmental health, or science. CT certification in Food Service Inspection, Level I and Level II Subsurface, and lead investigation preferred. Applicant must be a self-motivated, organized individual with the ability to work independently and as a strong team-member. A general knowledge of computers is necessary. Individual must possess the ability to work cooperatively and communicate effectively with other staff members, local officials, and the public. Applicant must possess excellent verbal and written communication skills as well as a valid driving license.

Salary is commensurate with experience. Benefits include paid vacation, sick, personal time, float time and holidays; health/life/long-term disability insurance. Pension plan offered.

The Northeast District Department of Health is an Affirmative Action/Equal Opportunity Employer. Pre-Employment Motor Vehicle Record release is required.
