JOB ANNOUNCEMENT

The Northeast District Department of Health is Seeking a Full-time Director of Health.

The Director serves as executive to the Board of Health in fulfilling its mandate to provide a full scope of public health services to area residents. Responsibilities include enforcing compliance with the CT Public Health Code and all applicable federal, state, and local laws and regulations; developing strategic and workforce development plans; establishing and enforcing policies and procedures; fiscal and human resource management; developing programs and public awareness campaigns; grant writing and administration; representing the agency in media communications; and providing public health leadership in collaboration with area health/public service/government agencies including the CT Department of Public Health.

Qualifications: An M.D. with training and experience in public health or a master's degree in public health from an accredited school of Public Health and a minimum of two years senior-level management/supervisory experience in a major health setting. Must have a valid CT driver's license or equivalent.

If you are a dynamic, outgoing person with the ability to interact with town-level officials and a passion for public health, we encourage you to apply.

NDDH serves approximately 85,000 residents and is governed by a Board of directors from the member municipalities. The agency provides benefits including generous time-off, retirement contributions, health, dental, vision, life, and disability insurance.

You can find more information about the agency as well as the complete job description and an employment application at <https://www.nddh.org/about-nddh/job-postings/>

Please forward resume and completed application form to email@nddh.org
or by Fax: 860-774-1308
